

The Shepherd's Center of Richmond travels to the
American Revolution Museum at Yorktown
and the
Virginia Living Museum in Newport News
Friday, November 4, 2022

Travel with TSCOR to the **American Revolution Museum at Yorktown** - formerly the Yorktown Victory Center. Learn anew the story of the nation's founding, from the twilight of the colonial period, to the dawn of the Constitution. Reopened in April 2017 after a massive renovation, the museum now offers immersive indoor exhibits and outdoor living history. The 22,000 square-foot permanent exhibition galleries engage visitors in the tumult, drama, and promise of the Revolution. See period artifacts and experience immersive environments such as dioramas, interactive exhibits, and short films. Featuring a theater experience that transports visitors to the Siege of Yorktown, complete with wind, smoke, and the thunder of cannon fire. In the outdoor living-history areas, visitors can witness artillery demonstrations, drill with wooden muskets at a recreated Continental Army encampment, and explore a Revolution-era farm based on a real-life 18th-century family.

For lunch we travel a short distance into downtown Yorktown to the **Water Street Grill**. Located in the popular Riverwalk Landing area, the Grill's menu features fish tacos, burgers, and tuna steak sandwiches. Lunch includes dessert and a non-alcoholic beverage.

After lunch, we travel to the **Virginia Living Museum in Newport News** to see living exhibits of Virginia's indigenous species. This open-air museum features an aquarium, science center, aviary, botanical preserve, and a planetarium theatre. Enjoy free time to explore at your own pace. A ticket to the planetarium show is included.
